

Cane River Creole National Historical Park

Working with Louisiana

By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

5 national parks

496,329 visitors to national parks (in 2010)

\$19,869,000 economic benefit from national park tourism (in 2009)

1,346 National Register of Historic Places listings

\$1,569,565,228 of historic rehabilitation projects stimulated by tax incentives (since 1995)

20,376 hours donated by volunteers (in 2010)

2 National Heritage Areas

53 National Historic Landmarks

\$70,723,303 in Land & Water Conservation Fund grants (since 1965)

1,125 federal acres transferred for local parks and recreation (since 1948)

\$24,563,495 in historic preservation grants

36 community conservation and recreation projects (since 1987)

597 historic places documented by the National Park Service

647,175 objects in national park museum collections

3 threatened and endangered species in national parks

90 archeological sites in national parks

44 Certified Local Governments

2 Teaching with Historic Places lesson plans

2 Discover Our Shared Heritage travel itineraries

These numbers are just a sample of the National Park Service's work. Figures updated 12/2010.
